Continuing Education

FREE Online Courses for MSN Healthcare Professionals*

MSN is now providing **CE Direct® online Continuing Education and Certification Review** that will fulfill your CE requirements, expand your skill set, and enhance your professional practice!

Award-Winning CE Courses

With CE Direct® you enjoy instant access to more than 700 award winning, ANCC-accredited CE courses for virtually every nursing specialty and key allied health disciplines. Written by top experts in an easy-to-read narrative format, courses feature relevant graphics, simple navigation and extensive references.

Certification Exam Review

Prepare for your nursing certification exam with unlimited access to 900+ hours of certification exam review content plus 650 online texbook topics, covering 98% of what nurses see at the bedside.

Convenient Learning

With courses available online, and in audio and webinar formats, you are free to learn how, when, and wherever you want.

* Healthcare Professionals must work a minimum of 12 shifts per month and be in good standing to receive free CE.
