

Now is the Time to Look at Microsoft Dynamics

ReadySetGO Rapid Implementation Plan: Microsoft Dynamics GP

The TM Group ReadySetGo Rapid Implementation Plan includes General Ledger, Receivables, Payables, Bank Reconciliation & Financial Reports for Microsoft Dynamics GP Business Essentials
Approximately \$9,500

SET-UP FEE (1/2 TO FULL DAY)

Includes software server installation and workstation (or thin client) setup.

PLANNING (1/2 TO FULL DAY)

Work closely with our expert consultant, and map your company's specific financial business processes to Microsoft Dynamics GP out-of-the-box automated processes for accounting and reporting. Plan for the chart of accounts, training, data migration, and initial report generation. Consider the optional deployment of additional Dynamics GP functionality such as Human Resources and Payroll, Distribution, Manufacturing, or Project Management.

USER TRAINING (3 TO 4 DAYS)

End-user training includes Microsoft Dynamics GP navigation, General Ledger, Receivables Management, and Payables Management .

GO-LIVE AND POST SUPPORT (1 TO 2 DAYS)

On site go-live support from our consulting team to assist your team in cutting over to the new system and post-live support from our dedicated technical support desk.

CREATE BALANCE SHEET AND INCOME STATEMENTS (1 TO 2 DAYS)

Your consultant will train you to work with the user-friendly Management Reporter tool to create your Balance Sheet and Income Statements.

ADDITIONAL:

DATA CONVERSION, IF NEEDED (1 TO 2 DAYS)

Your choice of having users manually enter starting data for GL accounts, customers and vendors, or use our team to import these files as well as open items for payables and receivables. Data conversion costs vary widely according to the complexity of your existing system files. Our team is seasoned at recommending the most cost-effective options available.
